15. OLD BUILDINGS AND MATERIALS No old buildings may be moved onto any lot or lots in this Subdivision.

16. LOT OWNERS ASSOCIATION There has been established the Meadowbrook Hills - Woods - Forest Homeowners' Association, Inc., a lot owners association consisting of the owners of lots in those portions known as Meadowbrook Hills #1, (Liber 3763 pages 166-171); Meadowbrook Hills #1, (Liber 3865 pages 208 - 213); Meadowbrook Hills #2, (Liber 3940 pages 790 - 795); Meadowbrook Hills #3, (Liber 4109 pages 57 - 63); Meadowbrook # 4, (Liber 4941 pages 43 - 47); Meadowbrook Woods Sub. No. 1, (Liber 125 pages 32 - 33); Meadowbrook Forest (Liber 156 pages 32 - 33); all subdivisions of the south half of Section 31, Town 1 North, Range 9 East, City of Farmington Hills, Oakland County, Michigan, which plats were recorded between June 24, 1957 and February 3, 1978, in Oakland County Records, and the owners of lots in any additional subdivisions to which the scope of these restrictions shall be extended.

Membership in the Association shall be mandatory for each lot owner in Meadowbrook Hills #1 and for each lot owner in such additional subdivision to which these restrictions may be extended and/or their successors and assigns.

A member shall be defined as every person or entity who or which is a record owner of a fee or undivided fee interest in any lot included within the purview of the Association but not including owners who have sold their interest under executory land contract. During such time as such a land contract is in force, the land contract vendee shall be considered to be the member of the Association.

Association members shall be entitled to one vote for each lot in which they hold the interest required for membership. When more than one person holds any such interest in any lot, all such

persons shall be members. The vote for such lot shall be exercised as they among themselves determine but in no event shall more than one vote be cast with respect to any one lot.

The Association shall have such powers as are granted to it by these restrictions and as are set forth in its By-Laws.

17. MAINTENANCE FUND All the land included in said plat, except streets and parks maintained for the general use of the owners of the land included in said tract, shall be subject to an annual maintenance charge commencing January 1, 1993, to be paid by the respective owners of the land included in said tract to the Meadowbrook Hills - Woods - Forest Homeowners' Association, Inc. annually in advance on the first day of January in each year, commencing with January 1, 1993.

The amount of said annual charge is established at a minimum of \$75.00 per lot beginning January 1, 2011. Said annual charge may be adjusted from year to year by the Board of Directors, as the needs of the property may, in their judgment, require, but in no event shall such a charge be more than five percent (5%) greater than the maximum assessment which was permissible to be assessed hereunder for the previous year without a vote of the members. Any yearly increase in excess of five percent (5%) shall require the approval and consent in writing of fifty-one percent (51%) of the members of the Association, which approval and consent shall make any such additional assessment binding upon all of the owners of property in said Meadowbrook Hills #1. A late fee of \$10.00 shall be imposed if said annual charge is not paid on or before April 1st of each year.

Said maintenance fund shall be used for such of the following purposes as the Association shall determine necessary or advisable: for improving and maintaining common areas and property of the Association, roadways and entrance ways of the Meadowbrook Hills #1; for planting trees and shrubbery and the care thereof; for collecting and disposing of garbage, ashes and rubbish; for caring for vacant property; for removing grass or weeds; for constructing, purchasing, maintaining or operating any community service, or for doing any other things necessary or advisable in the opinion of the Association for the general welfare of the members; for expenses incident to the examination of plans as herein provided and for the enforcement of these building restrictions, conditions, obligations, reservations, rights, powers and charges.

It is hereby expressly agreed that the Maintenance Fund charge referred to herein, including any expenses incurred in removing or completing any building in accordance with the preceding paragraph, shall be a lien and encumbrance on the land with respect to which said charges are made, and it is expressly agreed that by the acceptance of title to any of said lots, the owner (not including thereby the mortgagee as long as he is not the owner) from the time of acquiring title thereto shall be held to have covenanted and agreed to pay to the Association all charges provided for herein which were then due and unpaid to the time of his acquiring the title, and all such charges thereafter falling due during the ownership thereof. A certificate in writing shall be issued by the Association or its agent and shall be given on demand to any owner liable for said charges, which shall set forth the status of such charges. This certificate shall be binding on the said parties hereto.

By his acceptance of title, each owner shall be held to vest in the Association, the right and power of its own name to take and prosecute all suits, legal, equitable or otherwise, which may be in the opinion of the Association necessary or advisable for the collection of such charges.

18. ARCHITECTURAL CONTROL COMMITTEE The Association heretofore designated, its successors and assigns, shall appoint the Architectural Control Committee. The Architectural Control Committee shall have authority to approve plans and specification and otherwise guide the development of the Subdivision as planned and restricted herein. The Architectural Control Committee shall prepare rules and regulations for the conduct of its duties and shall provide for removal, replacement and resignation of its members. The Architectural Control Committee shall consist of a minimum of three members in good standing of the Association.

19. COMMITTEE APPROVAL No building, fence, wall or other structure shall be commenced, erected or maintained on any lot nor shall any addition to or change or alteration therein be made, except interior alterations, until the written proposal, building plans and landscaping design and specifications showing the nature, kind, shape, height, materials, color scheme, locations on lot and approximate cost of such structure and the grading plan on the lot, including grade elevations or buildings to be built upon shall have been submitted, in writing, to the Architectural Control Committee or its authorized agent, and a copy thereof as finally passed on, lodged permanently with the Committee. The Committee shall have the right to refuse to approve

any such plans or specifications or grading plans which are not suitable or desirable in its opinion for aesthetic or other reasons. In so passing upon such plans, specifications and grading plans it shall have the right to take into consideration suitability of the proposed buildings or other structures to be built on the site on which it is proposed to erect the same, the harmony thereof with the surroundings and the effect of the building or other structure as planned on the outlook from adjacent or neighboring property. It is understood that the purpose of this paragraph is to cause the Subdivision to develop into a beautiful, harmonious, private residence section and that the Architectural Control Committee shall not be arbitrary in its decisions. If a disagreement on the points set forth in this paragraph should arise, the parties shall submit the same to arbitration by competent architects in the usual manner. The Committee may, in the exercise of its discretion as indicated above, permit the erection of such appurtenances as, for example, greenhouses or swimming pools. However, such pools are to be restricted to inground installations. No above ground pools of any description will be allowed.

20. ABATEMENT OF VIOLATIONS Violation of any restrictions or condition or breach of any covenant or agreement herein contained shall give the Association in addition to all remedies provided by law, the right to enter upon the land as to which such violation or breach exists, and summarily to abate and remove, at the expense of the owner thereof, any erection, sign, thing or condition that may be or exist contrary to the intent and meaning of the provisions hereof, and the Association shall not hereby be deemed guilty of any manner of trespass for such entry, abatement or removal.

21. DURATION These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of ten (10) years from the date these covenants are recorded, after which said covenants shall be automatically extended for successive periods of ten (10) years unless an instrument signed by a majority of the then owners of the lots shall be recorded, agreeing to change said covenants in whole or in part.

22. ENFORCEMENT Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenant either to restrain violation or to recover damages. Failure to enforce any of the covenants herein contained shall in no event be deemed a waiver of the right to do so hereafter, as to the same breach or as to a breach occurring prior or subsequent thereto.

23. SEVERABILITY Invalidation of any one of these covenants by judgment or Court Order shall in no way effect any of the other provisions which shall remain in full force and effect.

24. PRIOR RESTRICTIONS Grantors hereby acknowledge the existence of prior restrictions and to the extent that they are inconsistent with these Second Amended Declaration of Restrictions for Meadowbrook Hills #1, they are to be declared null and void upon the filing and recording of these Amended Restrictions. In all other respects, they are hereby reaffirmed and incorporated into this Second Amended Declaration of Restrictions for Meadowbrook Hills #1 as if fully restated and are extended for the same ten (10) year period.

25. OVER-THE-AIR RECEPTION DEVICES RESTRICTIONS Over-the-Air Reception Devices including, without limitation, antennas, ham radio towers, and satellite dishes, which are visible from the exterior of any dwelling or located on any lot are expressly prohibited within the subdivision, except as specified below:
